TITLE 312 NATURAL RESOURCES COMMISSION

LSA Document #01-34

Under IC 4-22-2-23, the Natural Resources Commission intends to adopt a rule concerning the following:

OVERVIEW: Makes amendments to the rules that govern the public use of DNR properties. The discharge of sink, shower, and other gray water through drains onboard a boat would be prohibited. A license would be required for the release of any animal on a DNR property. In addition to a property manager, any person authorized by the director could (subject to administrative review) restrict or reject a person from a DNR property for misconduct for a period not to exceed one year. Clarifies that a restriction or ejection can apply to all or any portion of a particular property, to multiple DNR properties, or to all DNR properties. Makes other technical changes. Questions concerning the proposal may be directed to the following telephone number: (317) 233-3322 or email address: slucas@dnr.state.in.us. Statutory authority: IC 14-10-2-4; IC 14-11-2-1.
